*Letter from  
Joseph Cardinal Ratzinger  
President, Interdicasterial Commission for the  
Catechism of the Catholic Church*

Dear Mr. Coniker:

Thank you for your courtesy in sending a copy of The Apostolate's Family Catechism published by the Apostolate for Family Consecration. The work's publication in this year of the family could not be more timely. It anticipates many of the themes of His Holiness Pope John Paul's Letter to Families of February 2, 1994. The cross-references provided to the Catechism of the Catholic Church will make it an especially helpful instrument to parents and teachers.

With prayerful best wishes for the success of your vital apostolate, I remain

Sincerely yours in Christ,

A handwritten signature in black ink that reads "Joseph Cardinal Ratzinger".

Joseph Cardinal Ratzinger
